

POSITION OPENING

Director of Grace Christian Academy

Associated with Grace Presbyterian Church, PCA

Is God calling you to minister to children in a Christian environment?

Grace Christian Academy (GCA), located on Edmonson Pike, provides a three-fold Christian learning experience with a day-care center, after-school program, and summer program. We serve pre-K through elementary school-age children. GCA currently has 30 children in the day-care center, 25 in the after-school program, and 30 or more in its summer program. Duties of the Director include developing the children's curriculum, supervising the staff, managing Academy finances, working with the GCA Board, and assisting parents to help nurture their children in a Christian environment.

Requirements for the position include having a reformed theology and being an active member of a gospel-centered, reformed church. Additional requirements include a four-year college degree, preferably in early childhood/elementary education, and a love for working with children in a Christian atmosphere. The Director will also need to satisfy the requirements for a "Director of a Childcare Center" as outlined by the Tennessee Department of Human Services (DHS).

This position starts summer, 2010. The salary is commensurate with experience. Resumes are being accepted immediately through February 2010. Interested parties should contact Grace Presbyterian Church, (615) 781-3964.
