

GRACE PRESBYTERIAN CHURCH

Children's Ministry

ask Me WhoOo!

the children's first catechism

For children ages 3-10 years old.

(11-12 year olds are invited to be Ministry Helpers)

Ask Me WhoOo is a series of songs that teach children (and the grownups who are listening!) the foundation of our faith as adapted from the Westminster Shorter Catechism.

The director of the program is Mrs. Diana Beach Betarseh who is an accomplished educator, musician, singer & songwriter. The evening sessions are fun and interactive, as Diana leads and teaches the songs with her guitar, the corresponding sign language, scripture memory, and a brief teaching explaining the meaning of the catechism questions for each night. The evenings include the ever-popular Mystery Box, which is designed to illustrate God's revelation of Himself in all that He has made.

Ask Me WhoOo takes place twice a month, on Sunday evenings. Please email the church office for more information.
